

Name _____

Period _____

Partner _____

Date _____

Honors Chemistry
Multilevel Reactions Lab

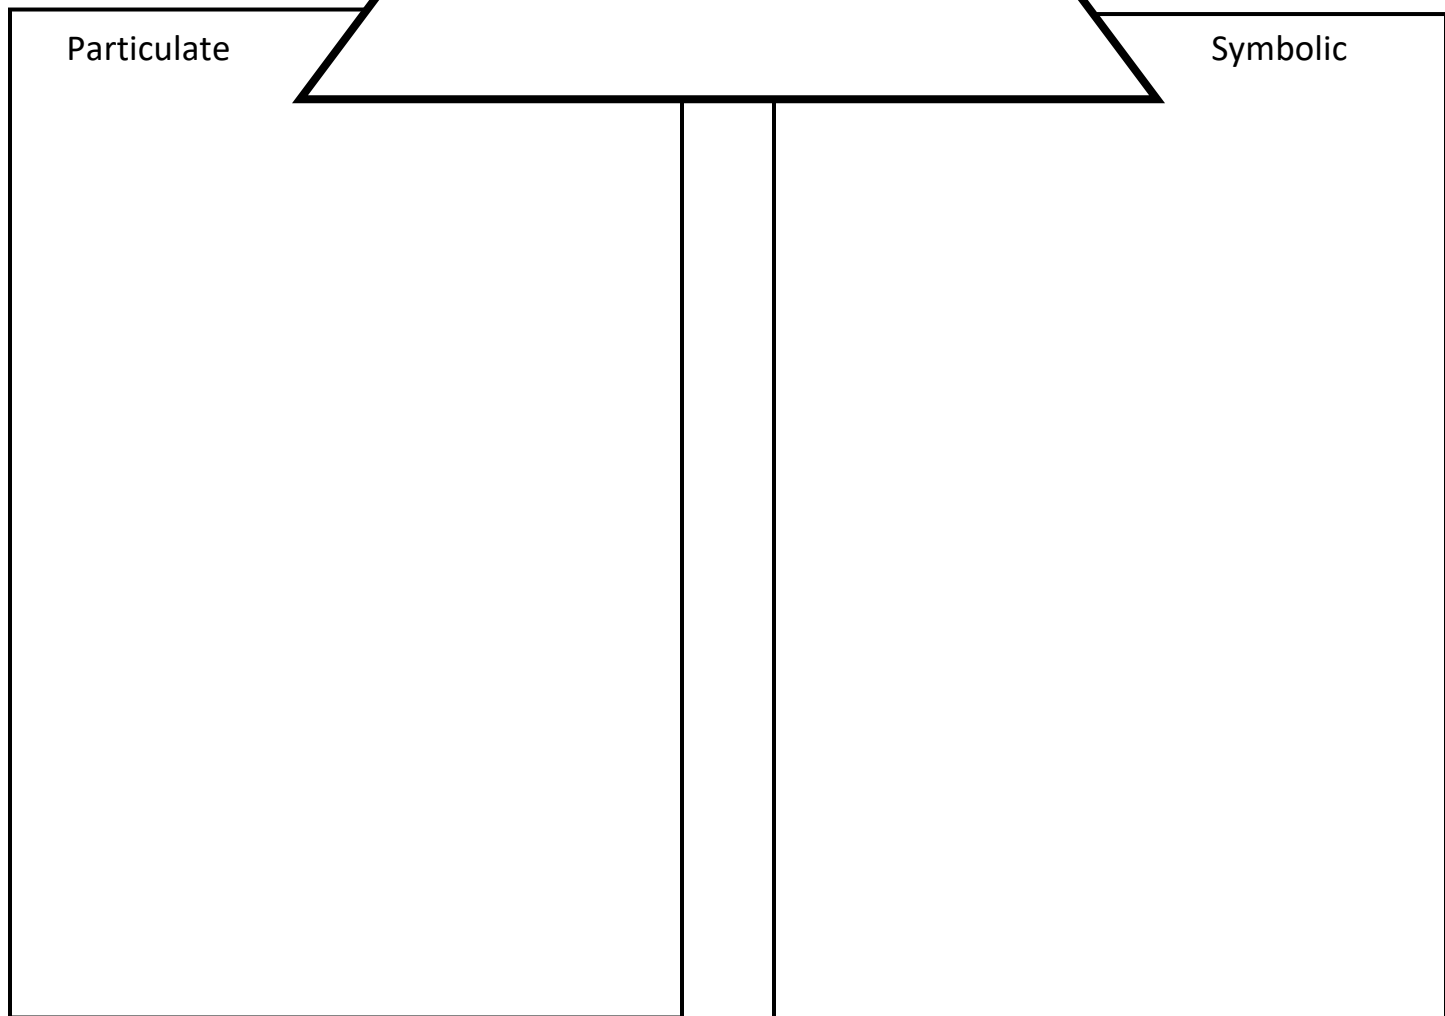

Macro

**Three Levels
of
Chemistry**

Magnesium metal
reacts with
hydrochloric acid

Particulate

Symbolic

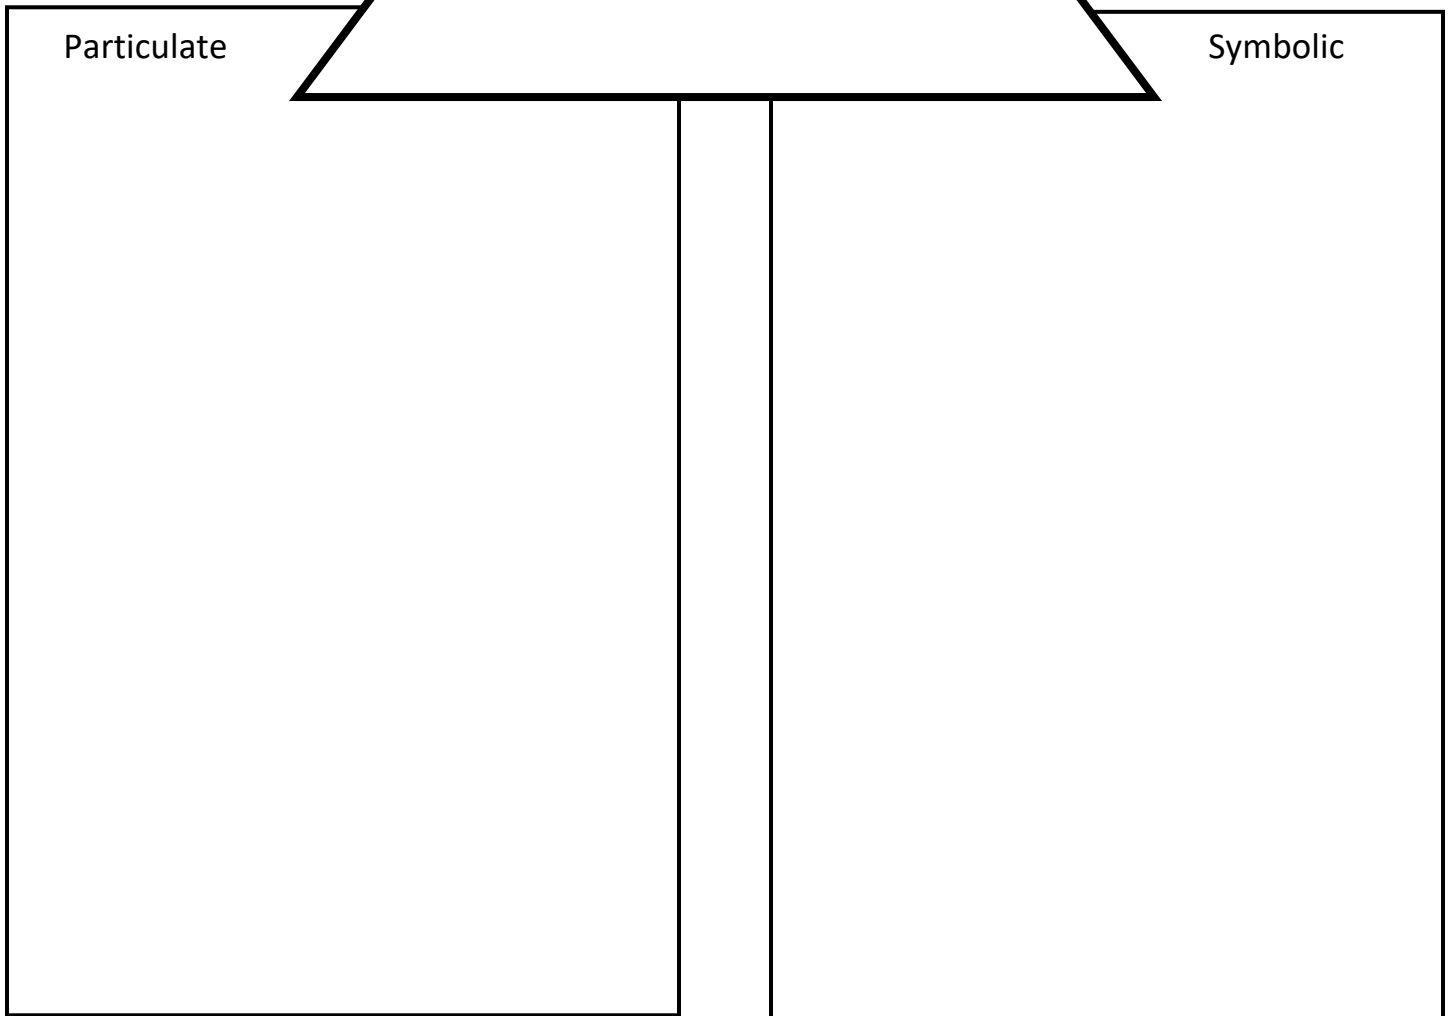

Macro

Three Levels of Chemistry

Lead (II) nitrate solution
reacts with sodium iodide
solution

Particulate

Symbolic

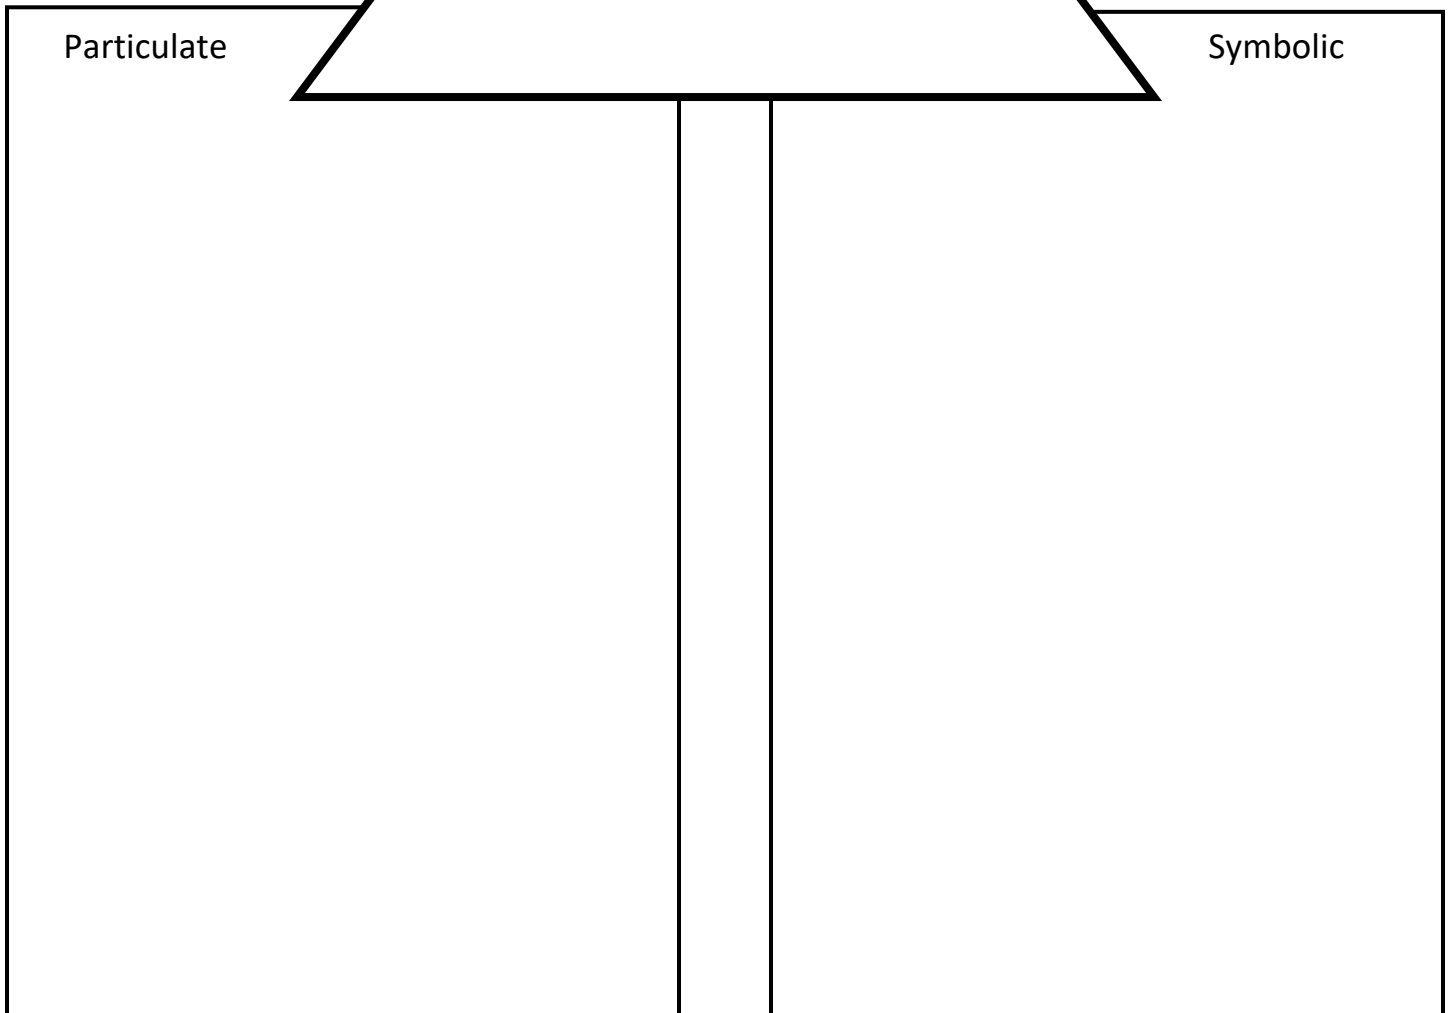

Macro

Three Levels of Chemistry

Zinc metal reacts with
hydrochloric acid

Particulate

Symbolic

Macro

Three Levels of Chemistry

Sodium hydrogen carbonate
reacts with hydrochloric acid

Particulate
