Football

Football combines the two worst things about America: it is violence punctuated by committee meetings.

George F. Will (b. 1941), U.S. political columnist. International Herald Tribune (Paris, 7 May 1990).

Announcements:

You have a big test on Monday! Make sure you do the College Board review to prepare. There is no lab report for this weekend. Make sure to use the time to prepare for Monday's test.

The unit on liquids and solids requires you to do extensive reading! I recommend you look at at least two textbooks for this unit. The ChemX on Unit Cells is also very helpful.
