Excuses

Your letter of excuses has arrived. I receive the letter but do not admit the excuses except in courtesy, as when a man treads on your toes and begs your pardon-the pardon is granted, but the joint aches, especially if there is a corn upon it.

Lord Byron (1788-1824), English poet. Letter, 2 Feb. 1821, to the publisher John Murray (published in Byron's Letters and Journals, vol. 8, ed. by Leslie A. Marchand, 1973-81).

Announcements:

On Monday we will do the crystal violet lab. Make sure your lab book is prepared. We are about one day behind and we can make that up pretty easily. We will be doing two labs this week. The lab for Thursday (or maybe Friday) will also go into your lab book and it is called the Iodine Clock Lab.

You need to be keeping up with the due dates! Do not fall behind this term!!
